What is a Combined Giving Campaign?

A combined giving campaign is employees pooling their resources to improve the quality of life in their community. This campaign allows local nonprofit agencies and their umbrella groups (federations) to participate in a single annual fund drive as equal partners. It is guided by an employee steering committee and site coordinators throughout MPS. Through payroll deduction or direct contribution, the combined giving campaign format provides the easiest and most effective way for employees to have a positive impact on their community.

It is easy to give.

There are four ways you can give through this campaign. You can choose one or more of these options with a payroll deduction pledge or a fully-paid cash or check contribution:

1. To the umbrella group of your choice,
2. To any of the agencies listed in this brochure,
3. To all of the umbrella groups and agencies listed in this brochure,
4. To a qualified 501(c)(3) nonprofit organization (not listed in this brochure) that provides health and human services in the State of Wisconsin.

To make a contribution to the campaign you must complete a pledge form.

Instructions for making a pledge:

You can choose between two methods of contributing:

A. Payroll Deductions will begin in February 2012.
B. Direct Pledge Cash or Check (make check payable to United Way/Fiscal Agent)

There are four ways you can choose to distribute your gift:

A. Pledge Form - Option A...to one or more of the five umbrella groups listed in this brochure.
B. Pledge Form - Option B...to the Employees’ Campaign Fund. A gift to the campaign fund will be shared by the MPS Foundation, United Way of Greater Milwaukee, Community Health Charities of Wisconsin, Community Shares of Greater Milwaukee, and Hunger Relief Fund of Wisconsin.
C. Pledge Form - Option C...to one or more of the specific agencies listed in this brochure.
D. Pledge Form - Option D...to any other qualified 501(c)(3) nonprofit organization that provides health and human services in the State of Wisconsin.

How does each umbrella group distribute designated funds?

The funding and allocation of money to agencies in each of the umbrella groups varies due to the diverse nature and purpose of each. If you have specific questions, please ask your site coordinator or call the phone numbers listed in this brochure to contact the umbrella groups directly.

What is the fiscal agent?

The fiscal agent is responsible for the disbursement of all contributions to the agencies as designated by the employees. The United Way of Greater Milwaukee is currently serving as fiscal agent. Your gift is tax deductible as allowed by Federal/State tax laws. All organizations are nonprofit.

400 The Milwaukee Public Schools Foundation, Inc.
414-475-8567
www.mpsfoundation.net
Established in 1998 as a non-profit, tax exempt corporation to promote educational excellence and strengthen community participation in the Milwaukee Public Schools. A volunteer board of directors from the local community governs the foundation.

The foundation seeks to fund programs and projects not affordable through public funds to provide enhanced learning opportunities for students, encourage creative and innovative educational programs, and recognize and support teachers and support staff. Visit the MPS Foundation website: www.mpsfoundation.net for additional information and a list of grants awarded.

MPS employees may designate donations to the foundation through the MPS Employees’ Combined Giving Campaign or through direct donations.

Contributions to the Milwaukee Public Schools Foundation, Inc. are tax deductible and will help support a number of programs, such as:

- **MPS Scholarship Program** — Scholarships are awarded to students enrolled in the Milwaukee Public Schools to attend a public college or university in the state of Wisconsin.
- **Classroom Teacher EXCEL Grants** — A mini-grant program supporting creative classroom projects that enrich the learning experiences of students.
- **Student Assistance Programs** — Support for programs that enrich student learning experiences, i.e., educational field trips, extra-curricular and recreational activities. Grants awarded for the Reading Is Fundamental Program, Adaptive Athletics/Special Olympics, Vision Project 20/20 to fund vision exams and eyeglasses for eligible MPS children, and the Access Defibrillation Program to provide equipment and training to respond to incidents of sudden cardiac arrest in MPS schools.
- **Teacher Education and Leadership Development** — Support for teacher education and leadership development. Over seven years, many grants were awarded to selected teachers successfully completing the National Board Certification Program.
- **Art and Music Programs** — Support for programs and schools to promote the integration of the arts with classroom curriculum.
- **After-School Programs** — Support for after-school educational and recreational programs including the Community Learning Centers.
- **Career and Technology** — Support for innovative state-of-the-art career and technology programs.
