My Favorite Olympic Event by Giovanni

Giovanni reviewed both summer and winter Olympics to find his favorite event.

Boxers get together and compete for gold medals. They work very hard to put on a good show. It is cool to watch. Boxers may punch hard so it is a good thing they wear gloves. Only one person gets a gold medal, one gets a silver medal and one gets the bronze medal. They may work hard but when it comes to the Olympic Games you never know what's going to happen.
