**MPS 3-Choice School Selection
January 11-29**

The 3-Choice School Selection Process is from January 11th through January 29th. Parents can fill out an application for any school that they are interested in for the 2010-2011 school year. Anyone interested in coming to Fairview next year can fill out this application at Fairview from January 12-30.

Students already assigned to Fairview do not need to apply to continue at Fairview.

January 11th through 29th is also the Chapter 220 application period. February 1st through 19th is the application period for the Public School Open Enrollment Program. Both programs provide ways for students to apply to attend a public school outside of the school district in which they reside.
