

## WELCOME TO ROOM 117!

This is a short note to welcome you and your child to Second Grade in Room 117 at Fairview School. I am looking forward to a very exciting and productive school year. I encourage your participation in your child's education. Please plan on attending Orientation Night on Wednesday – August 31<sup>st</sup>. You may bring your child's school supplies at that time.

Hot lunch is \$1.75 and milk is 35 cents when purchased with a cold lunch. These prices are subject to change. You may prepay for your child's lunch and the money is kept in their lunch account. If your child qualifies for free or reduced lunch, please complete and return the application as soon as possible.

Your child will need a backpack to be brought to school every day so important notes, homework and your child's work can be carried home. Your child will need the following items for the first day of school:

- ~ Supplies from the MPS supply list – NO Spiral notebooks
- ~ Additional items: 1 pkg. of colored pencils, 1 box of Kleenex,  
1 roll of paper towel, 1 ream of computer paper

Your child will be participating in many special activities throughout the upcoming school year. This includes:

- ~ **Field Trips to the Milwaukee Symphony** – We will be attending a 3-part series focusing on the music of Mozart.

We are also recruiting classroom volunteers. If you are available to help either during the school day or at home please let me know.

Please check out our website for updated information and fun website links.
