

Dear parents and students,

Welcome to what we hope will be another enjoyable year for everyone. As we rapidly approach a new year, I would like to begin by saying how important it is to have open communication between school and home. My intention is that you will all feel comfortable giving me any suggestions and/ or feedback regarding your child that you feel is necessary. I, in return, will be sure to make you aware of daily school situations. I know that transition and change can be difficult for children with autism; therefore, I hope to make it as easy for your child as possible. Your input in this matter is helpful and greatly appreciated. Any information you can provide regarding your child's likes and dislikes is always helpful at the start of a new year. We will do our best to become familiar with all of our students as quickly as possible.

I will assign homework on an individual basis when it is needed or at the request of a parent. Consequences/ rewards are

given on an individual basis according to what is successful in shaping each child's behaviors.

In conclusion, I look forward to working with each of you to ensure a successful school year for your child. Feel free to contact me at anytime at 546-7700. It is always easier and faster for me to communicate via email. My email address is lisnowtm@milwaukee.k12.wi.us

Thank you in advance for your comments and suggestions.

Sincerely,

Mrs. Stanislawski and Team
