

Welcome to Room 42

Dear Room 42 students and parents/guardians,

It is hard to believe that summer is almost over, but it is exciting to anticipate the beginning of a new year full of learning!

A supply list is enclosed to help you prepare for fifth grade. Please bring your supplies on Orientation night, or within the first week of school. We will be checking in supplies to make sure that everyone is fully prepared. Also please remember that students need to replace any supplies throughout the year that are used up, worn out, lost or broken.

Fifth grade is an exciting year leading up to middle school. Students practice independence, self-motivation and increased responsibility. It is extremely important to help your child stay organized and current with class assignments and homework. I take learning and behavior very seriously, so be prepared to do your best.

If you need to contact me the best way is by email. My email address is idzikola@milwaukee.k12.wi.us. I check my mail throughout the day and can usually respond shortly.

In addition to the MPS supply list, these supplies are needed:

- 3 glue sticks
- 1 ream of printer paper
- 2 rolls of paper towel
- TI-30 calculator
- Scissors
- 2 pocket folders
- Package of note cards
- 3 boxes of Kleenex
- 2 packages of loose-leaf
- Package of post-it notes
- Thumb/USB jump drive (label with name)

I am looking forward to meeting each and every one of you. We will have a fantastic year and together—you, your parents, and I will make fifth grade an outstanding success!

Mrs. Idzikowski
