To the Parents/Guardians of 9th, 10th, and 11th grade Riverside Students:

The Counseling Department is currently working with students to select their classes for next year. We will be finishing this process by mid April, before Spring Break. Students should all have a copy of the classes that they have chosen with their counselor. Please review this Course Selection Sheet with your child and refer to the Course Catalog on the Riverside Website for any questions regarding course descriptions. Feel free to contact your child's grade level counselor with any further questions or concerns.

Sincerely,

Joan Crisostomo
Guidance Director, Riverside University High School
