

School Description

Project STAY works with high school students grades 9– 12 who have been identified as being at-risk of not graduating from high school, and have struggled to succeed in the large high school setting. We help to empower students to remove any barriers to success and graduation. The “STAY” in Project STAY is an acronym for **S**uccess **T**raining for **A**t-risk **Y**outh, and we will do anything and everything we can to help students earn a high school diploma.
