Information compiled in the attached Enrollment Summary form is used to determine Milwaukee non-public school participation in Title programs and individual school allocations under the U.S. Elementary and Secondary Education Act (ESEA). To participate, non-public schools must send signed and completed:

1. Signed Verification of Consultation (this page), and
2. Signed MPS Enrollment Summary form (the attached document outlines enrollment count procedures), as well as,
3. A list of all students counted in the Enrollment Summary. This list must include student names, parent/guardian names, addresses (including community of residence, e.g. Milwaukee, Shorewood, Elm Grove) phone numbers and birth dates. An optional Excel document template is available at http://www2.milwaukee.k12.wi.us/title_i/Web_Pages/non-public.html to assist schools in compiling student information. Student data may be sent as e-mail attachment to valentec@milwaukee.k12.wi.us, mailed or hand delivered. A return mail envelope is provided for the submission of any or all of the three documents due by December 15, 2006. Do not fax information.

Section 1120(b) of the NCLB Act and §200.63 of the Title I regulations require that timely and meaningful consultation occur between local education agency (LEA) and private school officials before any decision that affects the opportunities of eligible private school children, teachers and other educational personnel to participate in programs under the Act, and shall continue throughout the implementation and assessment of activities under this section. The following topics must be discussed during the ongoing consultation process:

- * How the LEA will identify the needs of eligible private school children
- * What services the LEA will offer to private school children
- * How and when the LEA will make decisions about the delivery of services
- * How, where and by whom the LEA will provide services to eligible private school children, including a thorough consideration and analysis of the views of the private school officials on the provision of services through a contracted third party provider
- * How the LEA will assess academically the services to eligible private school children in accordance with §200.78 to determine the number of private school children from low income families residing in participating public school attendance areas
- * The equitable services the LEA will provide to teachers and families of participating private school children
- * The provision of a copy of the Title I consolidated application to private school officials, if requested
- * If the LEA disagrees with the views of the private school officials on the provisions of services through a contract, the LEA must provide the private schools the reasons in writing why the LEA chooses not to use a contractor.

We hereby agree that timely and meaningful consultation occurred before the LEA made any decision affecting the participation of eligible private school children in NCLB Title programs. We agree that we have participated in meaningful and timely discussion on each Title and have chosen to participate in the Titles marked below.
