 This school will operate as a Public Charter school next year.
 This school DOES NOT wish to participate in any ESEA programs. (Sign below, complete / correct school identifying and enrollment information and return forms to verify school status and census information.)
 This school is a non-profit institution and DOES wish to participate in one or more of the ESEA programs. (Complete and submit this form along with attached Enrollment Summary form and required student identifying information.)

Information compiled in the attached Enrollment Summary form is used to determine Milwaukee non-public school participation in Title programs and individual school allocations under the U.S. Elementary and Secondary Education Act (ESEA). To participate, non-public schools must send signed and completed:

1. Signed Verification of Consultation (this page), and
2. Signed MPS Enrollment Summary form (the attached document outlines enrollment count procedures), as well as,
3. An electronically submitted list of all students counted in the Enrollment Summary. This list must include student names, parent/guardian names, addresses, phone numbers, birth dates, grade, and confirmation of community of residence and age under 18. An Excel document template is available at http://www2.milwaukee.k12.wi.us/title_i/Web_Pages/non-public.html to assist schools in compiling student information. Student data is to be sent as an e-mail attachment to requests@lists.milwaukee.k12.wi.us. Paper copies will not be accepted. A return mail envelope is provided for the submission of signed Verification of Consultation and Enrollment Summary documents due by December 18, 2009. Do not fax information.

Section 1120(b) of the NCLB Act and §200.63 of the Title I regulations require that timely and meaningful consultation occur between local education agency (LEA) and private school officials before any decision that affects the opportunities of eligible private school children, teachers and other educational personnel to participate in programs under the Act, and shall continue throughout the implementation and assessment of activities under this section. The following topics must be discussed during the ongoing consultation process:

- * How the LEA will identify the needs of eligible private school children
- * What services the LEA will offer to private school children
- * How and when the LEA will make decisions about the delivery of services
- * How, where and by whom the LEA will provide services to eligible private school children, including a thorough consideration and analysis of the views of the private school officials on the provision of services through a contracted third party provider
- * How the LEA will assess academically the services to eligible private school children in accordance with §200.78 to determine the number of private school children from low income families residing in participating public school attendance areas
- * The equitable services the LEA will provide to teachers and families of participating private school children
- * The provision of a copy of the Title I consolidated application to private school officials, if requested
- * If the LEA disagrees with the views of the private school officials on the provisions of services through a contract, the LEA must provide the private schools the reasons in writing why the LEA chooses not to use a contractor.

We hereby agree that timely and meaningful consultation occurred before the LEA made any decision affecting the participation of eligible private school children in NCLB Title programs. We agree that we have participated in meaningful and timely discussion on each Title and have chosen to participate in the Titles marked below.

December 4, 2009 Milwaukee Non-public School NCLB Enrollment Summary

As the Local Educational Agency (LEA) responsible for Milwaukee Title program expenditures, Milwaukee Public Schools (MPS) may require submission of student information. MPS is required to follow applicable laws regarding confidentiality of student information. Provide the following summary information based upon the student information submitted for the school.

School: _____

DPI Private School # _____

- New school opening in 2010-2011. No current enrollment. Check box if true, then skip to bottom, sign, date and return. (Milwaukee NCLB Title program allocations are based upon previous year enrollment. New schools do not receive allocations in first year. Schools currently serving students must complete Section 1 and 2 below to participate in NCLB Title programs.)

Section 1: Low income counts may include only students for which school can provide documentation showing that family incomes would qualify students for Federal free and reduced price school meals (see current income guidelines below). Indicate method for determining student low income status. Each student (e.g. student who is both F/R and Choice) may only be counted once. Check as many as apply.

- Free reduced (F/R) lunch eligible (guidelines below)
 Milwaukee Parental School Choice student count (adjusted for students above F/R income limit)
 Family income survey
 Other (explain) _____

Section 2: Carefully answer questions 1 to 3 below. NCLB Title program enrollment count requirements - Schools may only count students who were:

- * Enrolled and attending school on December 4, 2009 or who were enrolled and attending at least one day before December 4, 2009 and at least one day between December 4, 2009 and the submission of enrollment information.
 * Not enrolled in MPS on December 4, 2009 (MPS students served by a non-public agency are not to be included in this count).

	1. Enter number of Milwaukee and non-Milwaukee resident students enrolled in grades K4 to 12.
	2. Enter number of City of Milwaukee resident students age 17 or younger on December 4, 2009 and enrolled in grades K5 to 12.
	3. Enter number of students (Milwaukee Resident) counted in question #2 who come from low income families.

I understand that MPS is required to ensure that ESEA Title funds are used as intended and that audits of enrollment data will be conducted and that submission of fraudulent information is illegal. I certify that information compiled here is correct and complete and that ESEA participation is being sought by a non-profit school serving Title program eligible students. I understand that our application for Title program participation is not complete until our school submits a list of currently enrolled students with addresses, phone numbers, parent names and birth dates and that all information is due by December 18, 2009. I understand that our school will not be eligible for ESEA Title program participation in 2010-2011 unless all information is submitted to MPS by December 18, 2009.
