

Spring 2011 Title IA Service Provider Teacher Satisfaction Survey

Dear: Catapult, Learn It Systems, Learning Exchange, and NESI Title IA Teachers,

As we approach the final several weeks of the school year, I want to take the opportunity to thank you for your service to Milwaukee students in general and your assistance in Title IA program evaluation testing and surveying. I know that the best teachers are constantly thinking about how they are doing, and what they might do to get better. As a district, MPS is trying to do the same thing. We are asking you to assist in our evaluation by filling out and returning this brief survey and by getting your students and their teachers, parents and administrators to do the same with their versions of the survey. Answers will be compiled in Title IA service providers annual progress reports to the district. We would appreciate any additional comments you would like to make about the Title IA program in Milwaukee non-public schools. Please let me know if you would like further information about our program or your role as a Title IA teacher. I can be contacted at jonesj@milwaukee.k12.wi.us or at 414-475-8122.

Sincerely,

Stephanie Jones, Non-Public Supervisor, MPS Title IA Program for Improving Academic Achievement
