To Classroom Teachers

- **Visible improvement in class**
- **Increased student confidence & participation**
- **Frequent conferencing**
- **Quarterly progress reports**
- **Improved test scores**
- **Engaging, targeted PD that helps you with your struggling learners**

To Students

- **Getting help!**
- **Mistakes are OK**
- **Success!**
- **Better Grades**
- **Improved Test Scores**
- **Parents noticed progress at home**
- **Recognition for achievement at school**

To Parents

- **Welcoming, comfortable place**
- **Engaging, informative and helpful Parent Involvement activities**
- **Seeing your children become better students with improved confidence and self esteem**
- **Improved Test Scores**

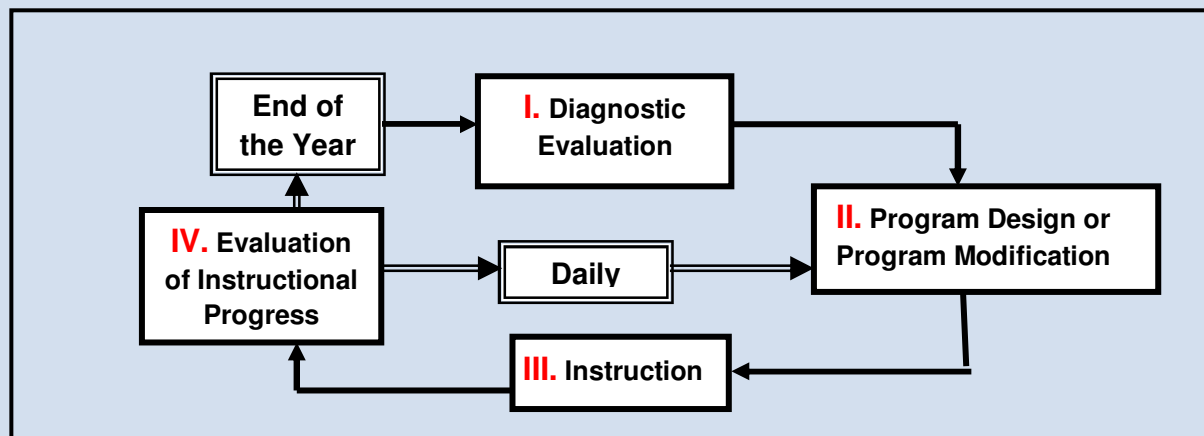

Let Learning Exchange help make the difference in what matters...

We estimate, based on all the instructional costs, the cost per pupil for our several different types of small group Reading and Math services are:

Estimated Costs - Various Certified Teacher Led Small Group Instruction Models	Instructional minutes per week*	Additional teacher assigned time at school (not including PD)	# of students per group (minimum)	# of sessions per week	Annual cost per pupil*
Instruction by certified teacher	120	1 teacher per/6 students	6	2	\$1100
Instruction by certified teacher	240	1 teacher per/6 students	6	4	\$1150
Instruction by certified teacher	300	1 teacher per/6 students	6	5	\$1200

LEARNING EXCHANGE Instructional Model

(This instructional process is used in all LE Reading/Math program designs)

Small group instruction also follows the above instructional model. Students sharing similar characteristics determine grouping. Diagnostic tests determine common areas of concern that form goal-oriented instructional plans for each group. Each session focuses on at least three common skill areas with breakout activities that address individual needs. Students benefit from group interaction as well as individualized opportunities for practice. Instruction is in a 6:1 ratio with a certified teacher for a minimum of 120 minutes per/week. Multisensory materials and activities are chosen based on student needs. Evaluation is on-going.

We have the expertise to provide the components for a truly successful Title I program for your school.
